From the GSSA President

GA Skeet Shooters:

Welcome to another shooting season as we continue to grapple with the shortages of ammo and reloading supplies. We look forward to the great targets that Forest City is known for and a good time had by all. Please also note that this is an open shoot and your shooting friends from out of state are welcome to join us. Also note due to the rising cost of targets and awards we are increasing the entry fee to \$70 per gun for money and awards and \$60 for Honors Only for awards however this option is limited to Sub-Junior and Junior entries only.

As last year we will be starting the 20GA on Friday after the Doubles to allow us to shoot all of the 12GA rotations and 12GA shoot-offs on Saturday. This will be advantageous for the one gun 12GA shooters and should allow more folks to make the evenings activities after the shoot-offs. Also you will note that there are no 4:30 rotations on Saturday or Sunday which should allow us to start shoot-offs, festivities, and the trip home a little earlier. The program contains instructions to contact Tami directly for squadding.

Please note with high costs we are unfortunately forced to limit the included Saturday night dinner to four gun shooters and their one guest. Other participants/guests are more than welcome to join us at an additional cost established by the club. The cost will be available at registration and tickets can be purchased at that time.

As your President I appreciate the opportunity that I have been blessed with to meet new shooters from across the state and region. I look forward to continuing to support and promote our great sport now and in years to come. As always, I welcome any input you may have.

Sincerely,

Jack Johnson, President
